MORE TECHNOLOGIES, MORE CHOICES

Our residential and business service plans are designed to match your needs and budget. We have multiple technologies to get you connected. You also have the option to pay month-to-month or save with a 24-month agreement.

UPGRADE TO PLUS FOR PEACE OF MIND

Purchase our Plus package and you will have peace of mind if your equipment ever needs to be replaced due to damage from accidents or storms. The Plus package includes the Internet Protection Service and covers service calls, radio equipment, Power Over Ethernet (POE) devices, and Small Office/ Home Office (SoHo) routers from Trendnet, Linksys, and Netgear. Advanced routers are not covered. There are NO limits on service calls or equipment, however, excessive incidences may result in removal from the plan. For only \$9.95 per month, you could save hundreds of dollars over the life of your service.
